

## Georgia High School Graduation Test (GHSGT) Re-Test Information for Former Students

***Note: Beginning September 2014, the GHSGT will no longer be administered at all high schools. Former students will be assigned to test at one of two locations. Pre-registration is required.***

### Re-Test Pre-Registration

If you are a former student who has exited Carroll County Schools with a Certificate of Performance or a Special Education Diploma, you are eligible to take re-tests of the GHSGT. Since you are no longer enrolled as a student in the Carroll County Schools, you are required to pre-register. The Site Testing Coordinator will work with your former school's Guidance Counselor to ensure your participation. You must register at least two weeks prior to the date of testing. Late registrations or walk-ins will not be admitted.

You will be directed from the main office to the room assigned for your test. Late arrivals will not be allowed to enter the testing room.
